

# Hot Water Music, Trademark

look around then look down  
are you rising up or are you stagnant  
break free from your boundaries hold back for nothing  
cutloose separation and find what's real  
you fly high so you think but i see you:  
falling sinking i'll align  
what's correct in the eyes may not always be right  
know your story  
break free from the bullshit  
hold back for nothing  
cutloose assumption:
