

Hotel Torino, Hunter (piosenka z serialu Mały Zgon)

it's gonna be rain

A wolf is hauling in the win
A man is carrying by the storm
leaves cross the sky
and no birds dare to fly

when the sky is grey
and the hunter is out
watch out
try not, try not to be a brave

brave
brave
brave
not to be the brave
you better not to be the brave
brave
brave
brave
not to be the brave
you better not to be the brave

you can count on my
that's 1, 2, 3
you can feel the heat

now comes the storms
shut all the doors
it's gonna be
it's gonna be
it's gonna be raining
it's gonna be
it's gonna be
it's gonna be rainig

go better pray
pray, pray
not to be the brave
go better pray
pray, pray
not to be the brave

shut the windows and the doors
it's gonna be rain
it's gonna be rain
raining blood
