HotWax, Treasure

Pain past, is pleasure and time will heal treasure Dry your eyes, sorry I lied

I, I just want you to love This, this feeling is rough You and I are forever

Pain past is pleasure and time will heal treasure Pain past is pleasure and time will heal treasure

I could try, to keep it hushed but it wouldn't change the taste And I don't wanna see you cry I just wanna feel the pain I see on your face

I, I just want you to love This, this feeling is rough You and I are forever

Pain past is pleasure and time will heal treasure Pain past is pleasure and time will heal treasure Solo

Pain past is pleasure and time will heal treasure Pain past is pleasure and time will heal treasure Pain past is pleasure and time will heal treasure Pain past is pleasure and time will heal treasure
