music - D. Malejonek/R. Sadowski

lyrics - D. Malejonek

We're the ones you send to prison

'cos we don't wanna fight

Killing is the job you only got for us

Question for the reason

Question for the right

We got to face the madness

The eyes are screaming wild

I know why you hate us

We know too much 'bout you

You try to bring us down

But you will hear the truth

What's the kind of madness

I see in your eyes

Something shakes your soul

But we just call it fright
