

Hound Dog Taylor, Ain't Got Nobody

(Hound Dog Taylor)

Well I ain't got nobody
Im sitting here alone
Yes, I've got nobody, woman
Lord I'm sitting here all alone
Man the woman I love
I wish she come on home

Well she called me this morning
And she called me on the phone
Yes she called me this morning
Lord she called me on the phone
Well I'm coming home to you baby
I'm tired of you sitting at home all alone

Well I felt so good
Till I didn't know what to do
Well I felt so good
I didn't know what to do
Well now it ain't true baby
This time I'm gonna be with you

Well I'll rest alright
My baby ain't coming home
I'll sleep alright
My baby ain't coming home
Well that's all right darling
I don't care how you doing me wrong
