

# Hound Dog Taylor, I Just Can't Make It

(Hound Dog Taylor)

Well I just can't make it  
Well I just can't make it woman  
Well I just can't make it  
Well I just can't make it  
Well I just can't make it, I can't make it anymore

Well I went home last night about the break of day  
She said looky daddy, I'm going away  
She said I'm gonna tell ya something you don't know  
You done something last night you didn't do before

I can't make it, well I just can't make it  
Well I can't make it, I can't make it anymore

Well my momma she told me, daddy too  
Son you got something, don't know what ya going to do  
Look a-here boy, I'm telling ya, ain't that a shame  
The woman that you love is loving another man

You just can't make it, well you just can't make it son  
No you can't make it anymore, you can't make it anymore

Alright baby that's right for you  
Alright darling any way you do  
Tell ya now baby what I'm gonna do  
Find me somebody after I've gotten rid of you  
I can't make it, well I just can't make it  
No I can't make it, I can't make it anymore
