

# Hound Dog Taylor, Rock Me

(Traditional)

Rock me baby  
Rock me all night long  
Yeah rock me baby  
Rock me all night long  
Rock make me babe  
Make me got no bone

Roll me baby  
Let me roll your wagon wheel  
Yeah roll me baby  
I can roll your wagon wheel  
Roll me baby  
Know how to make me feel

Rock me baby  
Want you to rock me slow  
Yeah rock me baby  
Want you to rock me slow  
Rock me babe  
Oh till I want no more
