

# Hound Dog Taylor, Things Don't Work Out Right

(Hound Dog Taylor)

You know if sometime things don't work at right  
You have to go along with the gag  
You know (I know how you feel man)  
You have the old lady, or your girlfriend, (Phillip gonna feel the same way in the morning)  
But it just don't work out right

You know I'm just trying to tell you something,  
About a problem that I had about 3 weeks ago  
But you know, it's no problem of yours, it's mine

You know it sometimes  
You can't be the same every day, every night  
Or sometime in between (I know how ya feel)  
If something gonna happen  
And you sit there and you look at the window  
Or anywhere you want to  
And your mind comes to you (there she go, there she go)  
And you really don't feel good at all  
Then you sit down and talk to yourself  
And you say "I wonder why";

Hey man  
If you had a girl - she didn't love you  
I'm talking to you mens  
If you had a girl who didn't love you  
You would be so worried  
Until you don't know what in the world to do

You went to your friends, what you would do in a thing like this?  
Your friends, what you would do in a thing like this?  
The girl don't love you boy  
It is, just has to be, this a-way

Hey!

Oh yeah!

I'm gonna send you back home to your mother  
I'll tell ya want I'm gonna do  
I'm gonna send you back home to your mother  
I'll tell ya want I'm gonna do  
I'm gonna get somebody
