

Hours Eastly, The Window

Neverending hallways they are
Spinning in my mind
Burning up the secrets I will
Keep until I die
The boys are in the basement and now
They are getting high
Half a bottle deep then and for
Every time I tried
And I tried

Would it be so bad
Wont you take me back
Wont you come to the window
Say Im the only one
Say what you want
Don't tell me where you've been though
Come to the window

So I set to walk the night and I
Set to walk with Bo
The rain it made us wet like dogs and
We're both dogs I know
I had my belt around his neck
I held it pretty tight
The rain it felt so good to me in the
Middle of the night
In the middle of the night
