

# House Of Heroes, Kamikaze Baby

Up the stairs and down the hall  
To your door and through your wall  
Sorry that I never called, sorry that I never called you  
So please come to your window  
I've been throwing rocks all night

I must be, I must be crazy  
I never thought it would come to this  
And maybe suicide by small increments  
Amazing  
I'll admit that its amazing  
I cannot get my hands around it

Brick by brick I build these walls  
Brick by brick I build these walls  
Sorry that I never called, sorry that I never called you

I must be, I must be crazy  
I never thought it would come to this  
And maybe suicide by small increments  
Amazing  
I'll admit that its amazing  
I cannot get my hands around it

So please come to your window  
I've been throwing rocks all night  
I must be, I must be  
I must be crazy, baby
