

House Of Heroes, Suicide Baby

Up the stairs and down the hall.
To your door and through the wall.
Sorry that I never called.

I can't loose you, cuz you're my only one.
I can't loose you, cuz you're my own.
I must be crazy.
I never thought it would come to this.
And maybe, it's suicide by small increments.
Amazing, I'll admit that it's amazing.
I can not get my hands around it.

Brick by brick I built these walls.
Sorry that I never called.
So please, come to your window.
Been throwing rocks all night.
