(Hektic)

No strings attached cause I don't need you  
Or nothen at all and incase you call  
And you can be fuck doll  
Its all a game as I mislead you to let me hit it  
And when I get thats it bitch  
Dont smell like fish bitch  
So many bitches  
So little time for me to hold  
Suckin my scrotum  
Dropin my load and I know em  
To my grave I take nothen I can truly use  
I light your fuse bright enough to  
Light up my groove  
Tonight I assume  
No good no sound makein  
Laying there dead, fuck bitch  
Then you know that I'm takin'  
I'll simply tuck my dick between your tits  
and pump in a like in a sex race  
The first place prize to cum all over  
Your pretty face  
A big disgrace  
My expectations  
Got me X-rated  
And I love the way you masturbated
