

House Of Lords, I Wanna Be Loved

No I can't slow down
'cause I'm so fired up
I've got a physical addiction babe
and I can't get enough
I can feel the heat
when it's cold outside
so baby open up your doors
and let me see what lies on the other side

Oh----I just wanna be loved
by a girl like you
Oh----I just wanna be loved
so baby put the hurtin' on me

is there a doubt in your thinking
that if you give it up too soon I'll be leavin'
But there ain't no rules in this hungry heart
I can see temptation in your eyes babe
that's the way I know it should start

Oh----I just wanna be loved
by a girl like you
Oh----I just wanna be loved
so baby put the hurtin' on me
cause I just wanna be loved
by a girl like you
Oh----I wanna be loved
baby put your lovin' on me

Come on girl
See for yourself
you want love

Oh----I just wanna be loved
by a girl like you
Oh----I just wanna be loved
so baby put the hurtin' on me
cause I just wanna be loved
Now I'm asking for the last time
Oh----I wanna be loved
baby put the hurtin' on me
