

# Houwitser, Command Respect

Aborted slaughter  
I escaped the lunacy  
Destructive incursion  
Ravaged army  
Not yet defeated  
Hundreds survived  
Craving for battle  
Onslaught of hate  
Skulls implode  
Innards flow  
Blood erupts  
Corpses piled  
Graves of blood  
Flesh ablaze  
Command respect  
For the flag of death  
Command respect  
Terror legion  
Aborted slaughter  
I escaped the lunacy  
Destructive incursion  
Ravaged army  
Not yet defeated  
Hundreds survived  
Craving for battle  
Onslaught of hate  
Under the flag or face damnation
