

Howard Jones, Don't Be Part Of It

Save

Save

Save from the butcher's knife

Save from the experiments

(Chorus)

Don't be part of it

Don't be part of the killing

Don't be part of it

Don't be part of the killing

Save from the furriers' trap

Save from extinction

(Chorus)

Share a right to life

As long as there are the slaughterhouses

There will be battlefields

As long as animals die in testing

We won't find humanity

Save from the factory farms

Save from the cruelty

(Chorus)

As long as there are the slaughterhouses

There will be battlefields

As long as animals die in testing

We won't find humanity

(Chorus)

Save, don't be a part of it

Save, don't be part of the killing
