

Howard Jones, New Song

I've been waiting for so long
To come here now and sing this song
Don't be fooled by what you see
Don't be fooled by what you hear

This is a song to all my friends
They take the challenge to their hearts
Challenging preconceived ideas
Saying goodbye to long standing fears

Don't crack up
Bend your brain
See both sides
Throw off your mental chains

I don't wanna be hip and cool
I don't wanna play by the rules
Not under the thumb of the cynical few
Or laden down by the doom crew
