

# Howard Jones, New Song

I've been waiting for so long  
To come here now and sing this song  
Don't be fooled by what you see  
Don't be fooled by what you hear

This is a song to all my friends  
They take the challenge to their hearts  
Challenging preconceived ideas  
Saying goodbye to long standing fears

Don't crack up  
Bend your brain  
See both sides  
Throw off your mental chains

I don't wanna be hip and cool  
I don't wanna play by the rules  
Not under the thumb of the cynical few  
Or laden down by the doom crew
