

# Howe Gelb, The Chore Of Enchantment

Got to go now  
there is still so much left behind  
not ready to go  
but already out of time  
{CHORUS} that's the chore here  
the chore of enchantment  
one of these days  
I'm going to get me a plan  
I'm going to stick around  
To see how it gets all out of hand  
{CHORUS}  
you're ok, as long as you can get  
you can last  
whatever gets in your way  
even that they say must past  
{CHORUS}
