

# Howie Day, Brace Yourself

so you think  
you can hold the world up by a string  
with all that you have  
and i would hold every part of you i could...hold

-

and i'm on...  
and i'm on again  
brace yourself  
with all that you have  
and oh, i'm in love again  
brace yourself  
now...

-

so you feel anything and everything could be  
all that you wanted  
stay with me  
i'm in no condition to be  
alone

-

and i'm on...  
and i'm on again  
brace yourself  
with all that you have  
and oh, i'm in love again  
brace yourself  
now...

-

on and on  
sold to your false alarm  
maybe i'll hold my breath  
and you'll be gone  
with all that you have... all that you have  
all that you wanted...

-

so you think  
you can hold the world up by a string  
with all that you have  
and i would hold every part of you i could...hold

-

and i'm on...  
and i'm on again  
brace yourself  
with all that you have  
no, i'm in love again  
brace yourself  
now...

love  
i'm in love again  
brace yourself with all that you have  
oh i'm in love again  
brace yourself...yeah... (on and on)  
brace yourself...yeah... (on and on)  
brace yourself with all that you have  
yeah...
