

# Howie Day, Bunnies (Live)

Crushed in the arms...  
Crushed in the arms of a bear.  
Crushed in the arms...  
Crushed in the arms of a bear.  
I strain...  
I strain...  
I strain...  
I strain...

Now I could never fall in love.  
And feeling such a thrill  
Why don't you anger me, anger me, I will.  
Oh... Why don't you anger me?  
(crushed in the arms)

Now I could never fall in love. (I strain)  
And feeling such a person. (I strain)  
Anger me. You anger me.  
Strangle me. You strangle me.  
Strangle me... and I strain...

And I strain... (of a bear)  
And I strain... (crushed in the arms)  
And I strain... (of a bear)  
And I strain... (crushed in the arms)  
And I strain...

Why don't you just go...  
Why don't you just go...  
Why don't you just go...

Strangle me... Strangle me...  
Oh I strain...  
Strangle me... Strangle me...  
Oh I strain...  
Strangle me... Strangle me...  
Why don't you just go?  
Strangle me... Strangle me...  
Why don't you just go?
