Howie Day, Collide

The dawn is breaking A light shining through You're barely waking And I'm tangled up in you Yeah

I'm open, you're closed Where I follow, you'll go I worry I won't see your face Light up again

Even the best fall down sometimes Even the wrong words seem to rhyme Out of the doubt that fills my mind I somehow find, you and I collide

I'm quiet, you know You make a first impression I've found I'm scared to know I'm always on your mind

Even the best fall down sometimes Even the stars refuse to shine Out of the back you fall in time I somehow find, you and I collide

Don't stop here I've lost my place I'm close behind

Even the best fall down sometimes Even the wrong words seem to rhyme Out of the doubt that fills your mind You finally find, you and I collide

You finally find You and I collide You finally find You and I collide
