

Howie Day, Everyone, Everything

(This is an early version of Madrigals...a few lyrics are different, and it had a different name)

I'm not so sure what I was dreaming
about, but I'm sure it was better
than this and I'll hope you suppose
that I'm alright, I'm buying you flowers

(Chorus)
Oh-ho-love
You told everyone you know everything...hu-uh-uh
your madrigals, your silver rings
I still see a flash
from the time I opened my eyes too wide

I couldn't have asked you to stay
I'm already falling to pieces
from this, and I hope you suppose
that I'm alright, I'm sending you flowers

(Chorus)
(Solo)
I still see a flash!
(Solo)
Ohhhhhh, ohhhhhh, hooooooo, hooooooo
(Chorus) Come on!!
You told everyone, you know everything
your madrigals, and your silver rings
(Solo)
Time I opened my eyes too wide

I'm not so sure what I was dreaming
about, but I'm sure it was better then this
