

Howie Day, In The Sun

I picture you in the sun wandering what went wrong
you've fallen down on your knees asking for sympathy
and being caught in between all you wish for and all you see
and trying to find anything you can feel that you can believe in
may God's love be with you, always
may God's love be with you

I know i would apologize if i could see your eyes
cause when you show me myself you know i became someone else
but i was caught in between all you wish for and all you need
i picture you fast asleep a night that comes you can keep away
may God's love be with you, always
may God's love be with you, always
may God's love be with you, always
may God's love be with you

Cause if i find, if i find my way how much will i find
if i find, if i find my way how much will i find
if i find, if i find my way how much will i find, you, you, i find you, you

I don't know anymore what its for i'm not even sure
if there is anyone who is in the sun will you help me to understand
cause i've been caught in between all i wish for and all i need
oh maybe i'm not even sure what it's for anymore than me
may God's love be with you, always
may God's love be with you, always
may God's love be with you, always
may God's love be with you

cause if i find, if i find my way how much will i find
if i find, if i find my way how much will i find
if i find, if i find my way how much will i find, you, you, i find you, you
