Everybody's wants the mood
Everybody's in the mood

Groove, groove, groove
Drink your whiskey, drink your wine
Look at your baby in a single line

Everybody's in the mood
Everything is in the groove
Groove, groove, groove
Everybody's in the groove
Everybody's in the mood
Everybody's in the groove
Everybody's in the mood
Everybody's gettin' the mood
Groove, groove, groove, groove
Wow!
