

Howlin' Wolf, I Have A Little Girl

Yes I got a little girl, only eighteen years old
Yes I got a little girl, only eighteen years old
Yes I love my baby, to my heart and soul
I love the way she kiss, she loves me all the time
I love the way she kiss, she loves me all the time
You know I can't help it, I can't get her off my mind
Yes I got a little girl, she's just only eighteen years old
Yes I got a little girl, just only eighteen years old
I love my baby, to her heart and soul
She's got great big pretty legs, teeth that shine like pearls
She's got great big pretty legs, teeth just shine like pearls
Well if you see her shake, man it's out of this world
