

# Howlin' Wolf, I'll Be Around

Well I&#039;ll be around to see ya baby  
Well I&#039;ll be around no matter what you say  
I&#039;ll be around, yes I&#039;ll be around  
To see what you&#039;re puttin&#039; down  
You know you told me that you loved me  
You know you told me and I hope it&#039;s true  
Well I&#039;ll be around, yes I&#039;ll be around  
To see what you&#039;re puttin&#039; down  
You know I called you in the morning  
You know I called you darling to come back to the Wolf  
But I&#039;ll be around, yes I&#039;ll be around  
To see what you&#039;re puttin&#039; down  
You know I loved you for myself  
You know I love you, I don&#039;t love nobody else  
Well, I&#039;ll be around, I&#039;ll be around  
I don&#039;t want you runnin&#039; around
