

# Hoyt Axton, Billie's Theme

I never dreamed  
You'd mean a thing to me,  
But when I needed your lovin',  
You gave me love  
The way it outta be.

Sweet country babe,  
The memories are clear.  
And I remember the laughter  
Sure miss the laughter.  
Heaven, you were here.

And when I feel  
The way I'm feeling  
Can't help believing you...  
Made it so easy.  
They can't take that away.

The girl you were,  
The girl you used to be...  
And I have heard all the stories.  
You know the stories  
Don't mean a thing to me.

I love your face,  
I love your quiet ways.  
If I could paint you a color  
You'd be a rainbow  
on a summer day.

And when I feel  
The way I'm feeling  
Can't help believing you...  
Made it so easy.  
They can't take that away.  
They can't take that away.
