NEVER MINE  
NEVER MINE  
you were nwever mine  
NEVER MINE

what a time  
what a time  
you were nwever mine  
NEVER MINE

Flipping through my memories  
Memories just make it hurt  
I don't remembber leaning in  
It was you first  
Everything you're telling me  
Telling me  
You're half a heart  
Running with the other half  
Got a head staert

Bed is the empty in 50%  
Overloaded with all the words  
I iwsih i'd said but

NEVER MINE  
NEVER MINE  
you were nwever mine  
NEVER MINE

what a time  
what a time  
you were nwever mine  
NEVER MINE
