Huey Lewis And The News, Doing It All For My B

Early in the morning, I'm still in bed She comes to me with sweet affection Wakes me with kisses, " Hello sleepyhead. " Gets me moving in the right direction I do my best to give her love that lasts forever It seems like everythiung I do I'm doing better Doing it all for my baby Because she's as fine as she can be Doing it all for my baby For everything she does for me Later in the evening, it's been a busy day She lays her head upon my weary shoulder Listen to her laughing, snuggle up and say Now I'm with you baby, the loneliness is over I do my best to give her love that lasts forever It seems like everything I do I'm doing better Doing it all for my baby Because she's as fine as she can be Doing it all for my baby For everything she does for me
