

Huey Lewis And The News, Stuck With You

We've had some fun, and yes we've had our ups and downs
Been down that rocky road, but here we are, still around
Thought about someone else, but neither one took the bait
Thought about breaking up, but now we know it's much too late
We are bound by all the rest
Like the same phone number
All the same friends
And the same address
Yes, it's true, I'm happy to be stuck with you
Yes, it's true, I'm happy to be stuck with you
Because I can see that you're happy to be stuck with me
We've had our doubts, but we never took them seriously
And we've had our ins and outs, but that's the way it's supposed to be
Thought about giving up, but we could never stay away
Thought about breaking up, but now we know it's much too late
And it's no great mystery
If we change our minds
Eventually, it's back to you and me
