

# Huey Lewis & The News, 100 Years From Now

if I don't treat you like a lady  
you won't hold my hand  
And you don't like it when I call you baby  
don't you understand  
even though we don't see eye to eye  
that's no reason to say goodbye  
you gotta learn to give and take  
there's so much love we can make

chorus  
even though we might be having a few doubts  
let's take the time and try to work things out  
the little things we fuss and fight about  
ain't gonna matter 100 years from now

i admit i'm a little lazy--isn't everyone  
and you let things drive you crazy  
sometimes you act so young  
even though we don't realize  
we'd be foolish not to compromise  
'cause what we have is all we've got  
believe it or not  
we've really got a lot
