

Huey Lewis & The News, Build Me Up

Don't try to tell me why
You just can't get enough of me
So fine, so unkind
I can tell that you're using me
You just using me
You know what you do to me

You just build me up
And then you let me down
Make you feel like a man
And treat me like a clown

So strong, but you so wrong
Should've known it all along
So nice, like paradise
I got this feeling I'll be paying price
Paying price for you
I'll be paying for the rest of my life
That ain't nice

You just build me up
And then you act so cool
Make you feel like a flame
And treat me like a fool

Got me hangin'
On a string
