

# Huey Lewis & The News, Heart Of Rock And Roll

I used to be a renegade, I used to fool around  
But I couldn't take the punishment, and had to settle down  
Now I'm playing it real straight, and yes I cut my hair  
You might think I'm crazy, but I don't even care  
Because I can tell what's going on  
It's hip to be square  
I like my bands in business suits, I watch them on TV  
I'm working out 'most everyday and watching what I eat  
They tell me that it's good for me, but I don't even care  
I know that it's crazy  
I know that it's nowhere  
But there is no denying that  
It's hip to be square  
It's not too hard to figure out, you see it everyday  
And those that were the farthest out have gone the other way  
You see them on the freeway, It don't look like a lot of fun  
But don't you try to fight it; "An idea who's time has come."  
Don't tell me that I'm crazy  
Don't tell me I'm nowhere  
Take it from me  
It's hip to be square
