

# Huey Lewis & The News, If You Really Love Me You'll Let Me Go

I'm no fool and I won't be cheated and lied to  
I know you think that I'm so cruel

But what about me, what am I supposed to do  
Just stay home, stay home and watch TV

(Chorus)

If you really love me you let me  
You always try to upset me  
If you really love me you let me  
If you love me you'll let me go

I can see that you don't really believe me  
You think you should be able to do what you wanna do  
Well why should I let you make an idiot of me  
Anyway is that all you can do is say

(Repeat Chorus)
