

Huey Lewis & The News, She Shot A Hole In My

She shot a hole in my soul
I'm walking all over town
Calling her name and trying to find her
She shot a hole in my soul-yeah
I'm walking all over town
Knockin and beatin on every door

Some pity me
And people start to cry
One man said he helped me
But I thanked him and said goodbye
'Cause I've got to keep on trying
I'm going crazy, about to lose my mind
I've got to keep on trying
I'm going crazy, about to lose my mind

My heart says
Without a love you're dying
Baby, baby, baby
Can't you hear me crying
Say, oooh
Wooh, help me somebody

She shot a hole in my soul
I'm walking all over town
Calling her name and try to find her
She shot a hole in my soul
I'm walking all over town
Knockin' and beatin' on every door

I walked into a club
Jumped up and grabbed the microphone
I asked the man, leading the band
To let me sing a song

'Cause my heart says
Without a love you're dying
Baby, baby, baby
Can't you hear me crying
Say, oooh
Wooh

She shot a hole in my soul
I'm walking all over town
Calling her name and try to find her
She shot a hole in my soul
I'm walking all over town

Knockin' and beatin' on every door
