I get a-high (oh yes) blood pressure (oh yes)

When you call my name (oh yes)

Uh-uh-huh (oh yes)

I get a high (oh yes) blood pressure (oh yes)

When you call my name

(Oh, yes, oh yes)

I get a high blood pressure

Well, baby when you're by my side

Yes (yes) I get a-high (oh yes)

Blood pressure (oh yes) when you're by side (oh yes)

Uh-huh-huh (oh yes)

I get a-high (oh yes) blood pressure

When you speak to me (oh yes)

Uh-huh-huh (oh yes)

I get a-high blood pressure I can hardly see (oh yes)

Oh-oo (oh yes)

I get a high blood pressure

Yes, baby when you get in my arms

Yes, get a high (oh yes) blood pressure

When you're in my arms (oh yes)

Uh-huh-huh (oh yes)

My eyes get to jumpin'

Up and down in a ring

My heart gets to jumpin'

Up and down as a spring

Chills run up and down my spine, it's true

My face startin' to sweatin, an it's

(All because a-you)

I get-a high (oh yes) blood pressure (oh yes)

'Cause my eyes go mad (oh yes) for you (oh yes)

My eyes start to jumpin'

It's a terrible strain

My heart gets to thumpin'

Up and down in pain

Chills run up and down my spine, it's true

My face startin' to sweatin' an it's

(All because a-you)

I get a high blood pressure

'Cause a I'm your man (oh yes) oh yes

(Oh yes)

(Oh yes)

(Oh yes)

(Uh-huh)

(Oh yes)

(Uh-huh)

(Oh yes)
(Uh-huh)

Fades -
(Ooooh)
(Ooooh-ooooh)
(It happens like that).
