

# Huey & Piano; Smith & The Clowns

I want to jump but I'm afraid I'll fall  
I want to holler but the joint's too small  
Young man river's got a hold of me too  
I've got the rocking pneumonia and the boogie woogie flu

Calls another baby, that ain't all  
I want to kiss her but she's way too tall  
Young man river's got a hold of me too  
I've got the rocking pneumonia and the boogie woogie flu

I want to squeeze her but I'm way too low  
I would be running but my feet's too slow  
Young man river's got a hold of me too  
I've got the rocking pneumonia and the boogie woogie flu

I want to squeeze her but I'm way too low  
I would be running but my feet's too slow  
Young man river's got a hold of me too  
I've got the rocking pneumonia and the boogie woogie flu

Baby's coming now, I'm running home  
I know she's leaving because I'm taking too long  
Young man river's got a hold of me too  
I've got the rocking pneumonia and the boogie woogie flu
