

Huffamoose, Shattered

In one fell swoop you shattered my world today
And if I had a hammer I'd nail you shut

Your words may save me choose them wisely
Watch your friends and careful of the world you've entered

In one fell swoop you shattered my world today
And if I was a rich man I'd buy you out

Goodbye tomorrow
Patron saints are here to borrow
Falling sand is so your color

Put me in my place again

Take care I'll see you next time around
The same old story
Destined found
Sing a praise

In one fell swoop you shattered my world
