

# Huggy Bear, Pansy Twist

my boyfriend...teen angel  
my boyfriend...irresponsible  
my boyfriend...venereal  
my boyfriend...violates his parole

not you...not true...not you...not

sitting here forever sore in your room  
bloodthirsty 45's play out of tune  
i didn't want to be first to disapprove  
i didn't want to be first to disapprove  
but the taste in my mouth's grown tired  
but the taste in my mouth's grown tired of you

my heart over reaches it swells it falls  
it's not sad just recognizing this mood as construct

does it make you more a kid if you wanna off a pig  
does it make you more a pig if you wanna off some kid  
that's all i want
