

# Huggy Bear, Prayer

the law is my safety  
and i am left wanting left wanting left scared  
so my gun is my shepherd

thru streets broad and narrow  
i am walking thru the valley of the shadow of death  
and i'm feeling fine

don't try and correct me if you think i'm wrong  
if it's necessary when it's necessary for me i'll just shoot  
is this sexy? do you think you define me?  
well i'm sacrificing my ideas on pacifism  
to keep myself safe in a bad situation  
lonely and total...cold bullet tension...cold
