

# Hugh Grant, Don't Write Me Off

It's never been easy for me  
To find words to go along with a melody  
But this time there's actually something on my mind  
So please forgive these few brief awkward lines  
Since I met you my whole life has changed  
It's not just my furniture you've re-arranged  
I was living in the past  
But somehow you've brought me back  
And I haven't felt like this since before Frankie said relax  
And now I know based on my track record  
I might not seem like the safest bet  
All I'm asking you is  
Don't write me off just yet

For years I've been telling myself the same old story  
That I'm happy to live off my so called former glories  
But you've given me a reason  
To take another chance  
Now I need you despite the fact  
That you've killed all my plants  
And now I know  
I've already blown more chances  
Than anyone should ever get  
All I'm asking you is  
Don't write me off just yet  
Don't write me off just yet
