

Hugh X. Lewis, Walk Through This World With Me

Walk through this world with me go where I go
Share all my dreams with me I need you so
In life we search some of us find I've looked for you a long long time
And now that I found you new horizons I see
Come take my hand and walk through this world with me
Walk through this world with me go where I go
Share all my dreams with me I've searched for you so
And now that I found you new horizons I see
Come take my hand and walk through this world with me
(steel)
And now that I found you...
