

Hugh X. Lewis, You Belong To My Heart

You belong to my heart now and forever and our love had its start not long ago
We were gathering stars while a million guitars played our love song
When I said I love you every beat of my heart said it too
Was a moment like this do you remember
And your eyes threw a kiss when they met mine
Now we own all the stars and the million guitars are still playing
Darling you are the song and and you'll always belong to my heart
[strings]
Now we own all the stars...
