

# Hughes Turner Project, Better Man

[Hughes]

When the sky was burnin' red  
When the mountains crumble and fall  
And I was outta my head  
That's when I heard you call

I can feel a change in the weather  
I put my feet on the ground  
I had to pull myself together  
I'm gonna tell you what I found

Better man - I know  
I'm a better man  
Better than before  
Won't you let me go  
And let the river flow

When the sea did cover the land  
And you did not believe in fate  
Came to me and gave me your hand  
Only a fool would hesitate

Now you can call me brother  
Cuz I've been away too long  
There's one way or another  
Cuz I never felt so strong

So walk with me my friend  
Cuz I want you to see  
And I cannot pretend  
Cuz I just gotta be...
