

Hughes Turner Project, Hold On

(Hughes/Turner/Marsh)

I don't mean to disturb you
Now don't cha get me wrong
Although I'll never hurt you
But there's something goin' on
You know I got my suspicions
More than eyes can see
I got a strange intuition and it's haunting me

Now do I have your attention
And do I have your trust
Did I happen to mention
I've seen gold turn to rust

There are some with a power
But they hide their face
And in the darkest hour
They control our fate

We're goin' through the changes
Address unknown, we're gonna rearrange it
And now I see the light
I think it's time to let you know
I'm on my way, so don't let go
Hold on-hold on
Hold on-hold on

Could it all be a daydream
Lies become the truth, nothing is as it seems
I will send you the proof

I don't mean to alarm you
But it's all coming down
You can do what you want to
You can turn it around

CHORUS

It's so jaded, let us fall
So related, in us all
