Hughes Turner Project, King Of Dreams

(Blackmore/Glover/Turner)

It doesn't matter if I'm right or wrong It really doesn't mean a thing It doesn't matter if you like my song As long as you can hear me sing 'Cause I'm the thorn in every little girl's rose You know I cut but never bleed A shadow in the night, pure delight I can satisfy your every need

I'm a real smooth dancer, I'm fantasy man Master of illusion, magic touch in my hand All the stages are empty when I steal the scenes A beggar of love, second hand hero...King of Dreams

Don't make a difference what you got It doesn't matter what you lose Don't make a difference if you like it or not Baby I'm gonna change your attitude 'Cause all around me there is mystery and wonder Now can't you see it in my eyes I'll crack the sky, make you feel the thunder You'll never see through my disguise

I'm a real smooth dancer, I'm fantasy man Master of illusion, with my sleight of hand All the stages are empty when I steal the scenes A beggar for love, second hand hero... King of Dreams

All around, all around Emotional squeeze through again and again I know how to please you, your mind is on the bend Can't you feel the power, surrender in my arms Beyond the witching hour we're travelling on and on

I'm a real smooth dancer, I'm fantasy man Master of illusion, magic touch in my hand The stages are empty when I steal the scenes A beggar of love, second hand hero... King of Dreams
