

# Hughes Turner Project, Sofia

(Hughes/Turner/Marsh)

There is no master plan  
There is no hologram for you

And now I understand  
There's nothing else that I would do

Outside your seven walls  
There is no peace at all

Sofia - I couldn't stay  
Sofia - I go my way

Now all is said and done  
You were the only one for me

Inside the picture frame  
There is no one to blame you see

So much we had to give, now I don't wanna live

Sofia - I couldn't stay  
Sofia - I go my way  
Sofia - the rain will fall  
Sofia - after it all
