Human League, Morale...You've Lost That Loving

Don't talk Close the door You've been here before

Your shape dim
I'm an old man now
The air's thin
The walls very damp now
And if i don't go
I'll always be stuck here in this poor little room
With a view of the corner

I don't forget
The light growing weak now
Experience is useless
Unless you can learn
And i've never met anyone
Who used their knowledge
To avoid those mistakes made again and again

And if i don't go I'll always be stuck here in this poor little room With a view of the corner

You never close your eyes anymore when i kiss your lips And there's no tenderness like before in your fingertips You're trying hard not to show it (baby) But baby, baby i know it

You've lost that loving feeling Woah, that loving feeling You've lost that loving feeling Now it's gone, gone, gone Woah-woah

Now there's no welcome look in your eyes when i reach for you

And girl you're starting to criticise little things i do It makes me just feel like crying (baby) 'cos, baby, something beautiful's dying

You've lost that loving feeling Woah, that loving feeling You've lost that loving feeling Now it's gone, gone, gone Woah-woah

Baby, baby, i'd get down on my knees for you If you would only love me like you used to do, yeah We had a love, a love, a love you don't find every day So don't, don't, don't let it slip away

Bring back that loving feeling Woah, that loving feeling Bring back that loving feeling Now it's gone, gone, gone And i can't go on -acapo
