

# Human Nature, Auld Lang Syne

Should auld acquaintance be forgot  
And never brought to mind  
Should auld acquaintance be forgot  
And days of auld lang syne  
And there's a hand, my trusty friend  
And gie's a hand to thine  
We'll take a cup of kindness yet  
For auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For auld lang syne

Should auld acquaintance be forgot  
And never brought to mind  
Should auld acquaintance be forgot  
And days of auld lang syne

For auld lang syne, my dear  
For auld lang syne  
Should auld acquaintance be forgot  
And days of auld lang syne  
For auld lang syne
