

# Human Nature, Just My Imagination (Running Aw

Ooo

Each day through my window I watch her as she passes by.  
I say to myself, "You're such a lucky guy."  
To have a girl like her  
Is truly a dream come true.  
Out of all the fellas in the world  
She belongs to me  
Only to me

It was just my imagination - once again -  
Running away with me.  
It was just my imagination  
Running away with me

Ooh-hoo  
Soon we'll be married  
And raise a family.  
Get a cozy, little home out in the country  
With two children, maybe three.  
I tell you, I can visualize it all.  
This couldn't be a dream for too real it all seems.

But it was just my imagination - once again -  
And it's running away with me.  
It was just my imagination  
Running away with me

Her love is (oohhh)heavenly;  
When her arms enfold me,  
I hear a tender rhapsody  
But in reality, she doesn't even know me

It was just my imagination - just my imagination  
It was just my imagination - only imagination  
It was just my imagination - oh I never met her but i won't forget her  
It was just my imagination - hoo hey  
It was just my imagination - once again  
And it's running away with me. - oh yeah  
It was just my imagination - ohh  
It was just my imagination  
Running away with me.

Ooohhhh
